The offertory for last Sunday came to £1,381.59

Sound Systems

The sound system at St Edmund's is being completely replaced at the moment. This is because the old speakers that extend the sound into the hall are not working properly. The speakers for the electronic organ are also failing. The new system will extend the organ sound around the whole church. The Hearing Aid Loop system will be replaced as it has not worked for many years. New microphones with wider range will be placed on the lectern and altar. We will also increase the number of wireless microphones to four. The new amplifier will also be able to take music from I pad's and smart phones. Once the work is completed we will quickly establish what is needed to improve Our Lady's Sound System.

Fr Paul

Lost Property

Both churches have accumulated a fair amount of lost property, as listed below:

St Edmund's: 6 coats, 5 scarves, 5 hats, 6 pairs gloves and 2 holdalls.

Our Lady's: 1 rucksack and 3 umbrellas'.

We will hold all these items until the end of January then they will be donated to a charity. Please see Fr Paul after a Mass or contact the parish office to arrange collection.

Red Box Thank You & Appeal

Next weekend 19/20th January, we will welcome Fr Vincent Oates MHM, appealing for APF-Mill Hill, to give the five yearly Red Box Appeal. Through the Red Box we care for our church family around the world. Thank you to all parishioners who already give to the Pope's official charity for overseas mission – Missio – and Britain's own missionary order, the Mill Hill Missionaries, through the Red Box.

Mission is at once a passion for Jesus and a passion for his people – Pope Francis

Registration for Confirmation preparation 2019

I would like to invite parents of children in Year 6 and above to encourage their children to prepare for confirmation by Bishop Peter on **June 19th**.

This is an enjoyable course which gives our young people an opportunity to explore and discover more about their faith and the Faith of the Church. They will be expected to take the preparation seriously and commit to attending each one of the twelve sessions as well as the commissioning Mass on **Sunday 3rd March**.

Please pick up a letter from the back of either church or from the Key Stage 2 Office at Our Lady's School and return the completed form as soon as possible. The deadline for this is **Friday 15th February** so that course materials can be ordered.

With every blessing, Father Paul

January De-clutter?

We all like to have a post-Christmas de-clutter in January. Please recycle now any surplus Christmas gifts by donating them for next December's

Christmas Fayre. Items can be handed in to the parish office (see opening times on front of this sheet) or left at the back of Our Lady's or in the entrance at St Edmund's over the next two Sundays. Thank you. PS You could also return unwanted pop-lid coffee jars. . . Thanks.

Gift Aid

If you donate every week to the collections in church and if you are a taxpayer, please consider Gift Aid. Contact Fr Paul, or John Nolan on 01933 277038. It will cost you nothing and is of great financial benefit to the parish.

Are you struggling with your Energy Bills?

(NESS) The Northamptonshire Energy Saving Service provides help which is free, confidential and independent: The project is working to assist those experiencing fuel poverty in Northamptonshire. For further information please contact 01604 623700 or look on their website: www.northamptonshireenergysavingservice.org.uk
